## October 8 Luncheon Steve Flowers, Political Commentator

Steve Flowers was born and raised in Troy, Alabama. He attended public schools in Troy. He became a Page in the Alabama Legislature at age 12 and worked at the State Capitol throughout his high school years. Upon graduation from high school in Troy, he continued to the University of Alabama where he was a student leader and served in the student Senate. He graduated from the Capstone in 1974 with a degree in Political Science, History and English.

In 1982, at age 30, he entered politics and was elected state representative from his home county of Pike. In that, his first race, he received the largest number of votes for any person in the history of Pike County. In his first year in the legislature, "Alabama Magazine" named him the most outstanding Freshman member. He was overwhelmingly reelected four times. He left undefeated and uncontested choosing not to seek reelection in 1998.

During his tenure in the legislature Steve sustained a perfect attendance record for 16 consecutive years. In 1988, his House colleagues passed a resolution naming him The Most Ethical Member of the House, and in 1992, his colleagues voted him The Most Outstanding Member of the Alabama House of Representatives.

It is hard to believe we are entering the homestretch and final quarter of 2024. Fall is in the air. Many of us are in the full throws of fall decorating, football, and making that one last trip to the beach or lake as the weather will allow. This time of the year is by far my favorite time of the year allowing time for reflection on the past nine months but also beginning to make those plans with my friends, family, and clients for the upcoming New Year.

While this time of year provides many opportunities to fill the calendar with a football tailgate weekend, a great Chamber event to attend like Haunt the Hills, and all the gatherings associated with the upcoming Holidays, my personal challenge and the challenge to you is to pace yourself and make room for the magic to happen. Take an extra minute to enjoy the band at halftime of a Vestavia Hills High School Football Game, sit outside at one of our great Vestavia Hills restaurants where you can maybe listen to some music, or maybe even visit one of our great parks and take nice evening walk breathing in the fresh air, and admiring the changes of scenery as leaves turn and fall.

This time of year is also a great time for you to get involved with our Chamber. We are always happy to have you serve on any of our standing committees, or join one of our event committees as we finish up Haunt the Hills planning and get ready for VIVA Vestavia 2025. We also have a dynamic lineup for our Chamber Luncheons to conclude the year, and would love to have you join us and enjoy the friendships and networking opportunities that can arise by you being a part.

Again, it has been a privilege to serve as the Chair of the Board of our Chamber this year, and as always if I can ever be resource to you, your family, or your business, please do not hesitate to let me know.

All my best,

*Clabe Dobbs*  
*Board Chair, 2024*
